

Nontransmembrane PTP subtypes (NT)

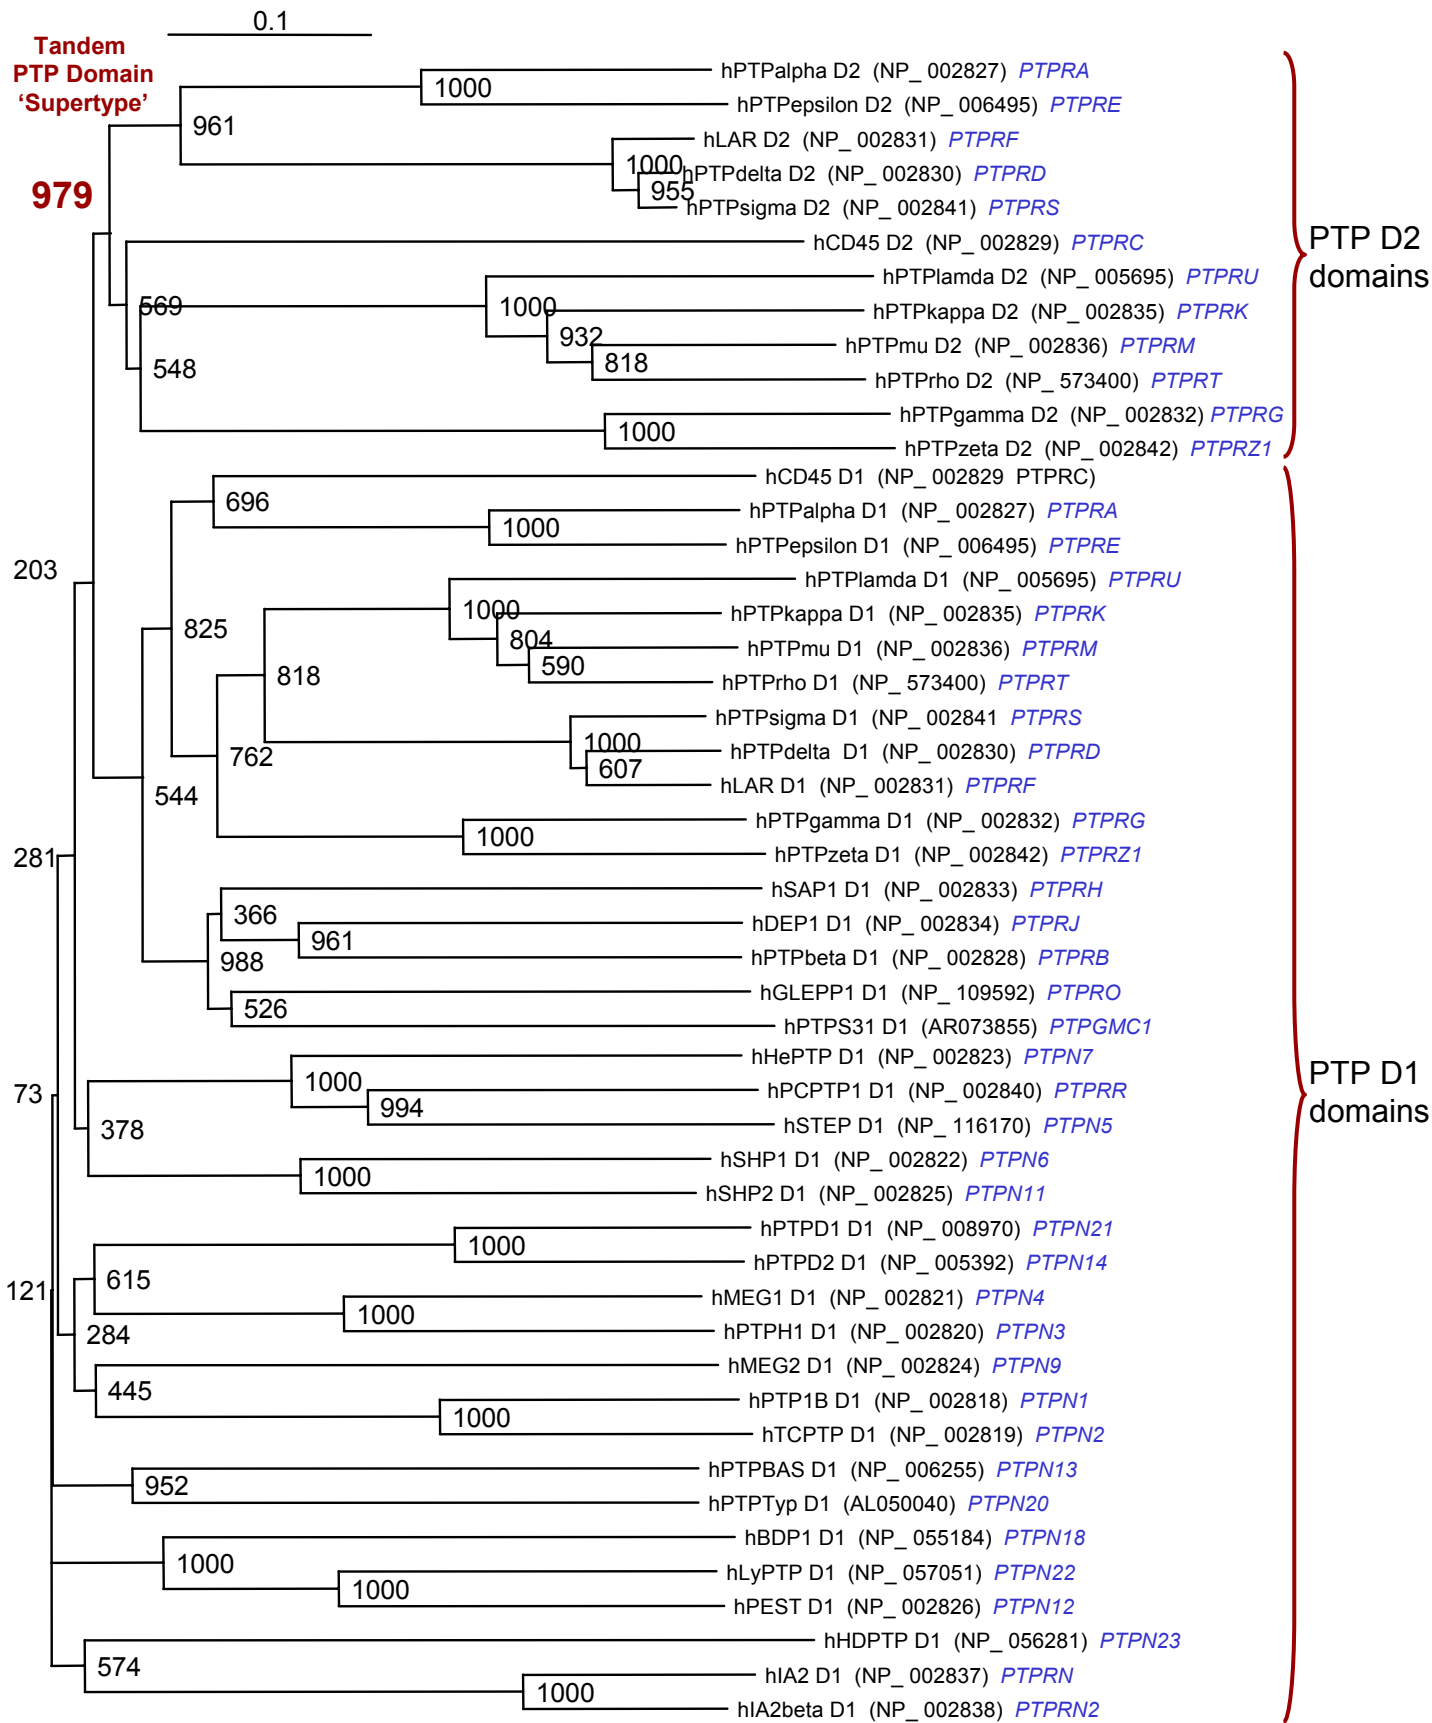

Receptor-like PTP subtypes

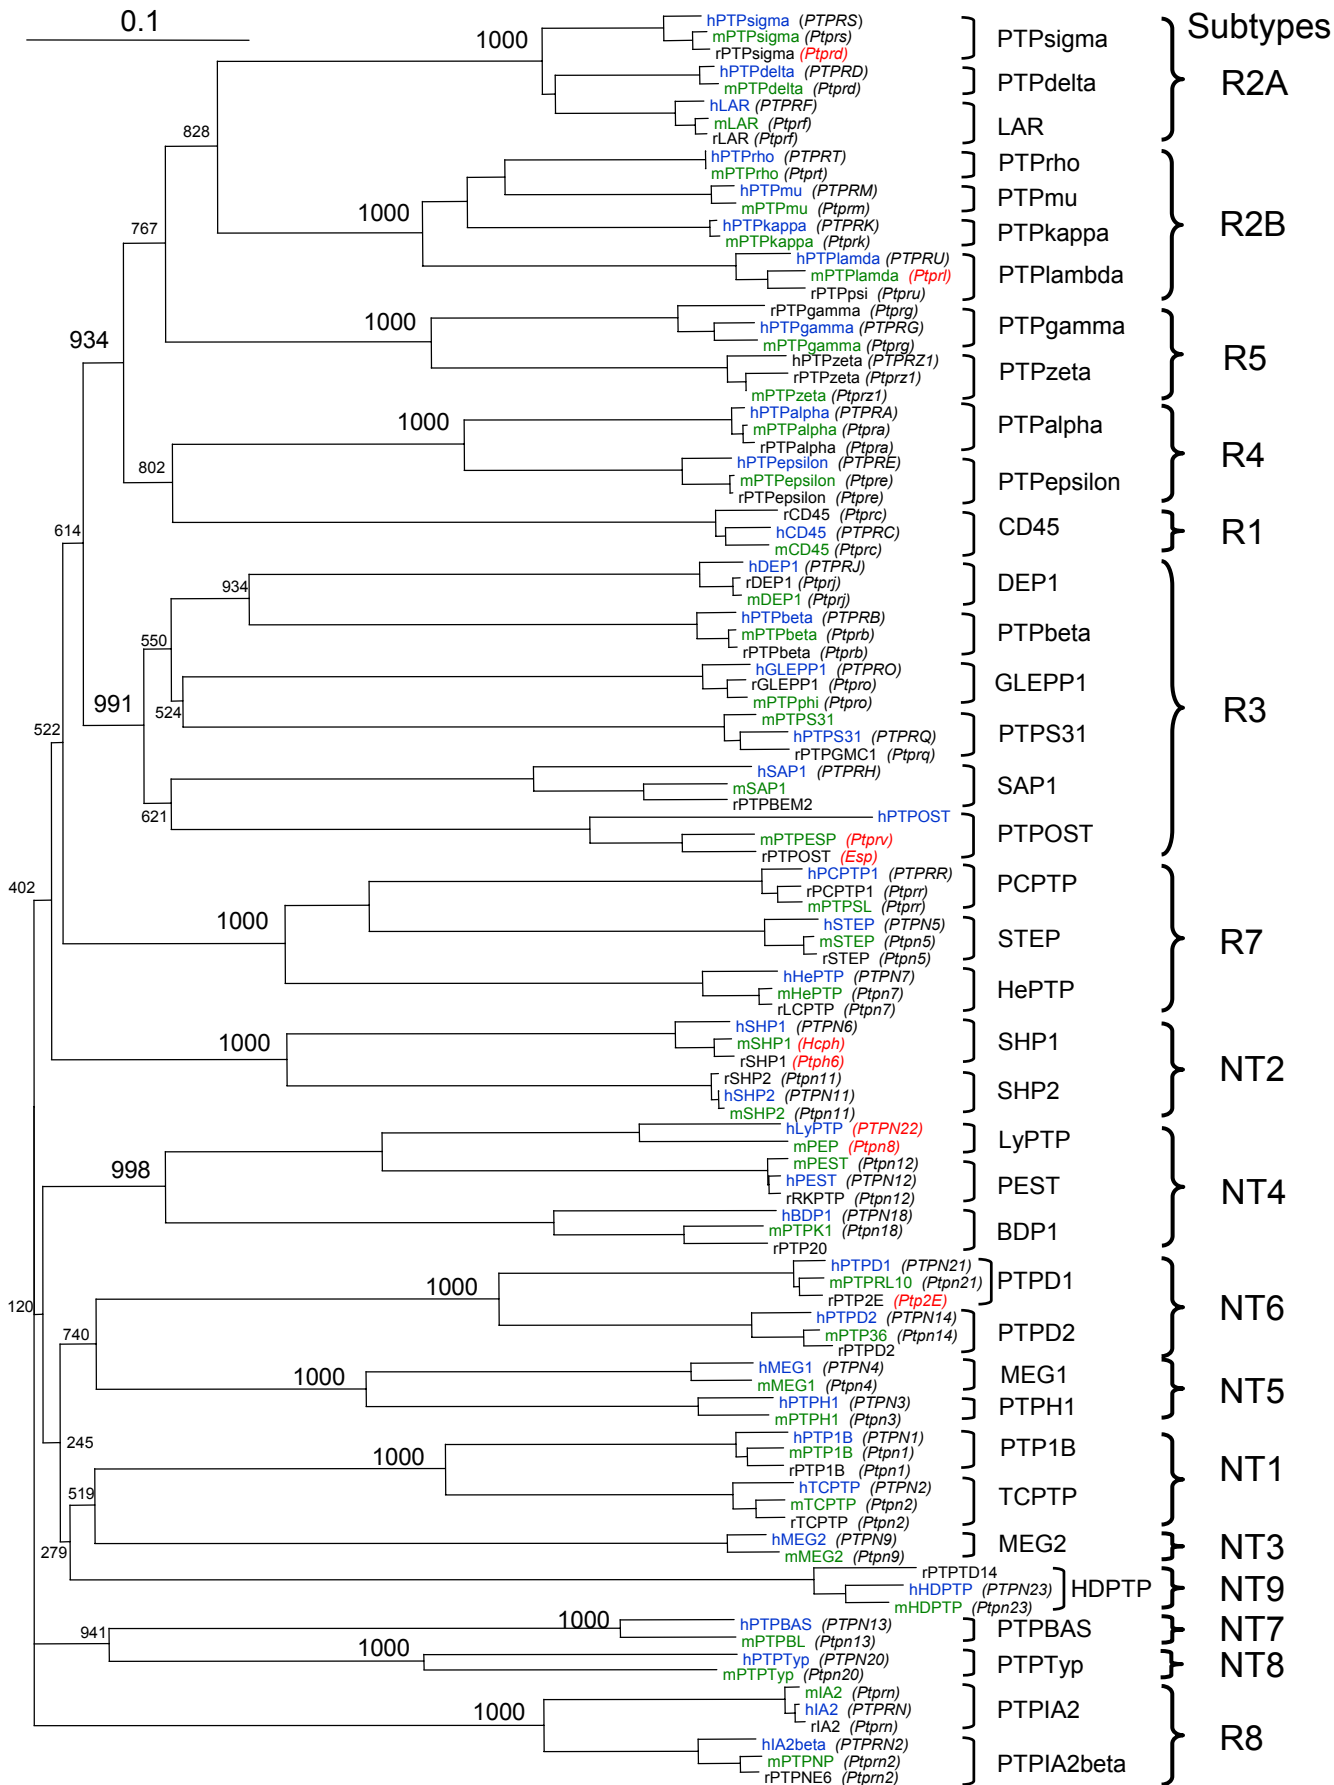

Classification of the vertebrate family of PTPs into Nontransmembrane (NT) and Receptor-like subtypes (R) based on PTP domain sequence homology

Homology Tree of Human PTP Catalytic Domains and Membrane distal PTP domains in RPTPs

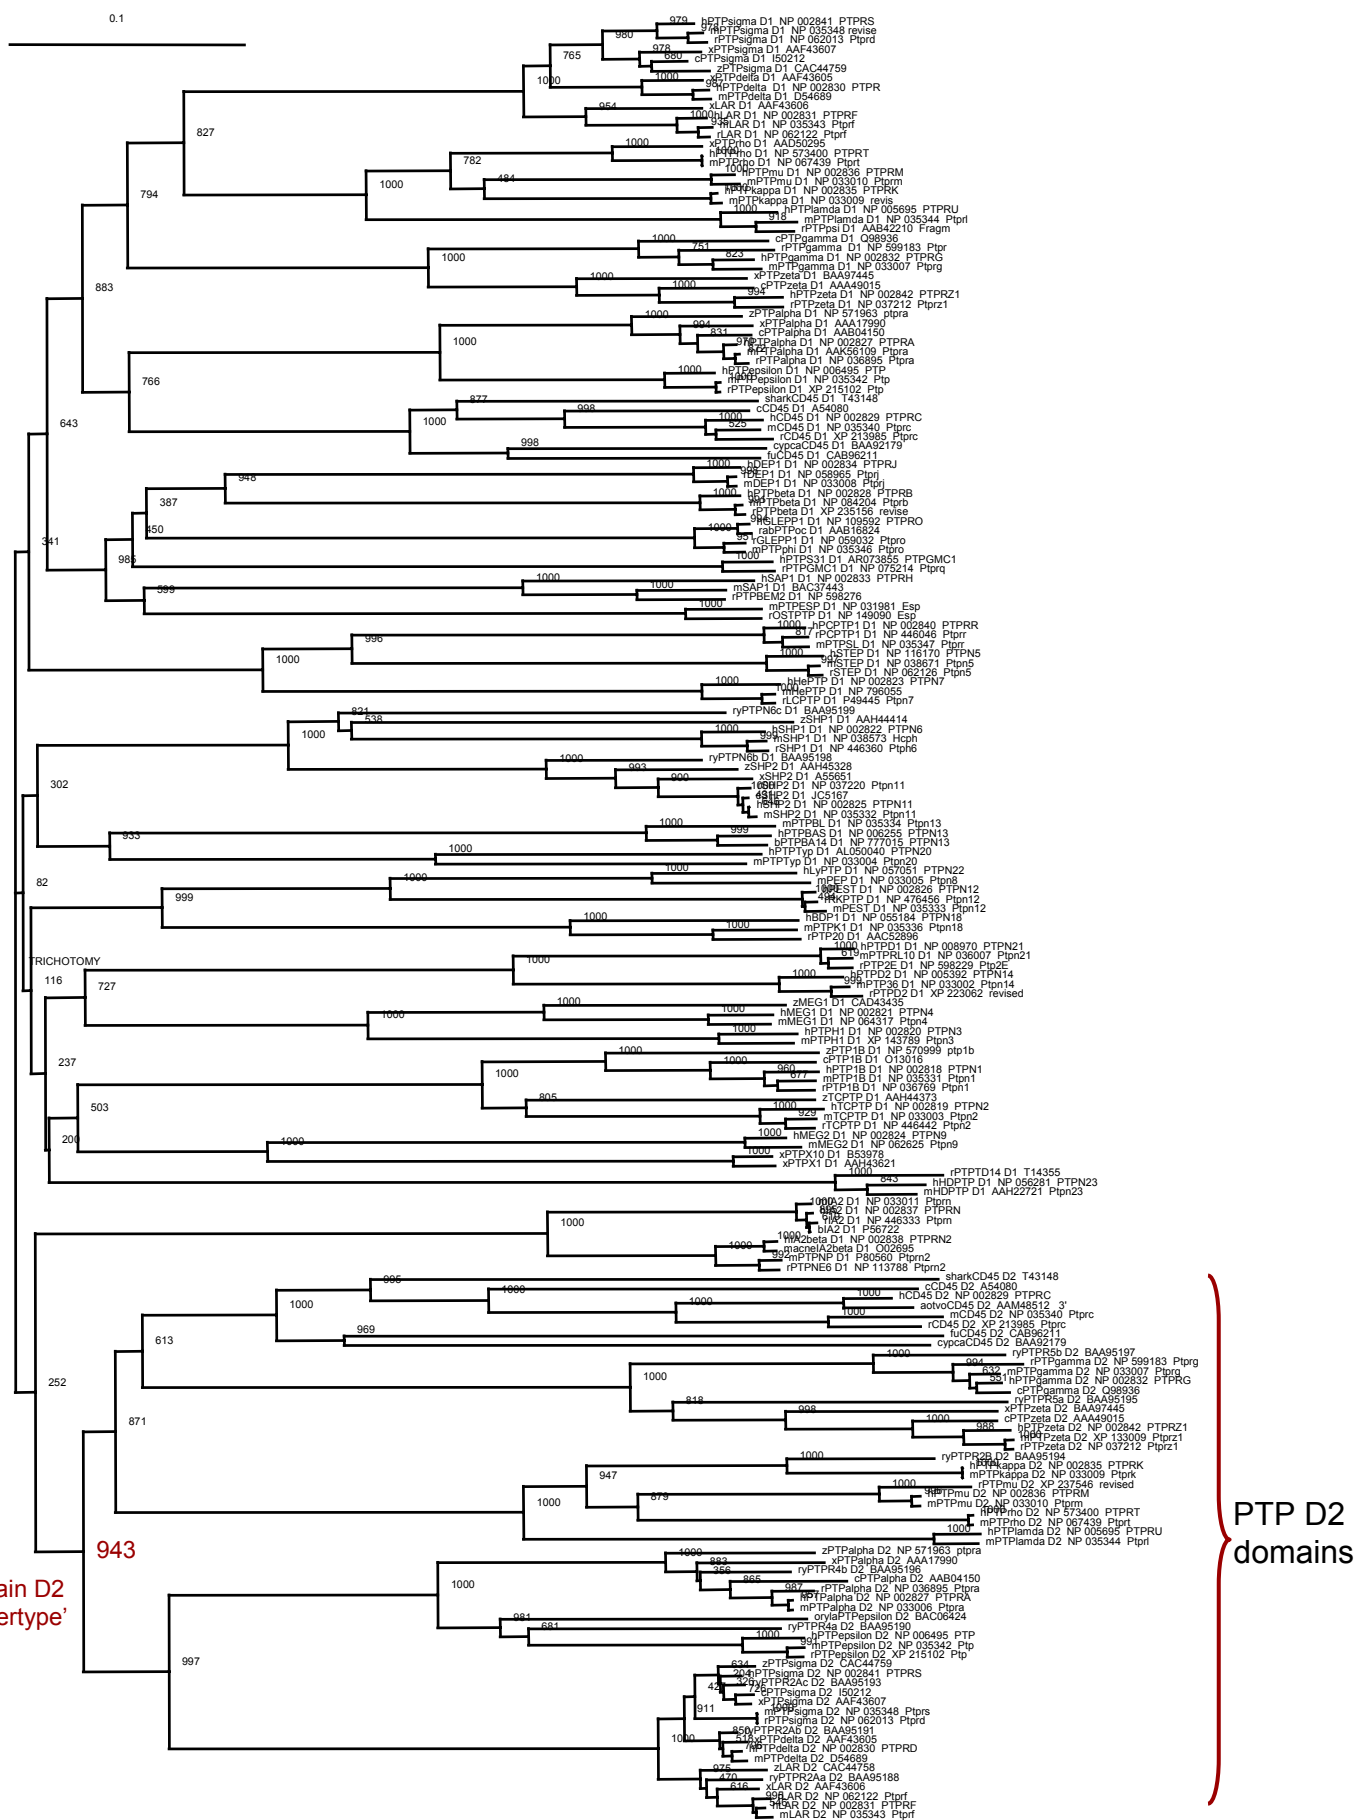

Dendrogram of Human, Mouse and Rat PTP Domains (Overview of the official PTP gene symbols)

Homology Tree of Vertebrate PTP Catalytic Domains and Membrane Distal Domains in RPTPs
